

M-ARC Notes: Courses **highlighted in yellow** include ALL of the required components necessary for interim or standard certification (First Aid and **Adult and Child CPR**). M-ARC participants may also choose to take a combination of courses to satisfy the three required components.

# CPR & FIRST AID - APPROVED PROVIDERS

Section 1531d of Act 451 of the Revised School Code (MCL 380.1531d) requires coursework in First Aid and **Adult & Pediatric CPR**, which includes a test demonstration on a mannequin, for all teacher certificate candidates recommended for initial certification.

## Requirements for the Initial Certification of Michigan Teachers

- **Fully online courses are not acceptable:** Learning First Aid and Adult & Pediatric CPR requires demonstration and practice.
- Candidates must provide institution (in-state candidates) or the Michigan Department of Education (out-of-state candidates) the actual card(s) indicating the completion of an approved course to the educator preparation

The following courses have been approved by the Michigan Department of Education and verified as meeting the requirements of the law:
